

DRIVE LESS. PAY LESS.

Owners of electric, hybrid and fuel-efficient vehicles have a choice.

The Mileage Choice Program is a voluntary option for drivers who pay a highway use fee. Instead of paying the highway use fee all at once, you pay the fee on a per-mile basis.

You only pay for the miles you drive, so if you drive less, you pay less.

If you end up driving a little more, you'll never pay more than your annual highway use fee.

Starting July 1, 2022, you may enroll in the Mileage Choice Program when it is time to renew your vehicle registration. You must enroll prior to renewing.
