

**Be a Preferred Customer
Join webCAT Today**

Visit www.dmvNOW.com. You'll need your IFTA account number to sign up for IFTA transactions. You will need your IRP account numbers and fleet numbers to sign up for IRP transactions.

In three quick and easy steps you'll become a webCAT customer today.

1. Enter your name, business and contact information.
2. Enter your account numbers.
3. Receive a personal identification number by mail in days. If needed sooner, a quick call during business hours to DMV, (804) 249-5108, will get your PIN the same day.

To protect your privacy and secure your account, you will create a unique user name for your account. Once you establish your account, you will create your own password which ensures no one but you can access your information.

webCAT

No need to visit DMV. Through this free Internet service, you can process vehicle titles, International Registration Plan (IRP) and International Fuels Tax Agreement (IFTA) transactions. Apply for your credentials, file quarterly tax reports, and submit your payments directly from your office or the road.

webCAT provides faster service than any other DMV service option. Mail, fax or customer service center transactions take up to three days to process. webCAT transactions are processed the same day.

Additionally, you avoid a \$5 per vehicle fee added to each IRP renewal transaction conducted in a DMV customer service center, unless only picking up pre-paid credentials.

CAT — Carrier Automated Transactions

webCAT — an easy solution for your success!

Make Your Life Easier!

- ▶ **Preferred service status**
Best access to quick service. Plus, by using webCAT you avoid a \$5 per vehicle service fee added to registration renewal transactions conducted in DMV customer service centers.
- ▶ **Less paper**
Apply for your IFTA and IRP credentials electronically – in minutes. No more lengthy paper applications.
- ▶ **Convenience**
Choose your credential delivery option. Mail, express mail or same-day pick up at a DMV customer service center.
- ▶ **More uptime**
Maximize your time by having IRP plates, IFTA decals and titles mailed to you.
- ▶ **Flexibility**
Initiate title or registration transactions and file and pay your quarterly taxes from any place you have Internet access – any time you have time.
- ▶ **Accuracy**
Enter your miles and fuel purchases. webCAT calculates your IFTA taxes for you. Plus, webCAT will alert you to any mistake that could result in your tax filing being returned rather than processed the first time.

Payment Options

webCAT offers several secure and easy-to-use payment options.

- ▶ ACH debit
- ▶ ACH credit
- ▶ e-check
- ▶ Credit card

By mail – you may choose to file your quarterly tax report using webCAT and have DMV mail you an assessment notice for the tax due amount.
